

PARENT PERMISSION FORM

Dear Parent(s)/Guardian(s),

Your child's teacher has decided to sign up with **ARTB412**. ARTB412 is an online community that allows both parents and teachers to showcase, share, and sell canvas prints of art created by children. When a print is purchased, a portion of the proceeds will go to arts-based charities that support ARTB412's vision of creative freedom for children. For more information, please visit www.ARTB412.com.

With ARTB412, teachers, parents, and students can:

- Raise money for art supplies to benefit kids worldwide
- Encourage and inspire respect for the arts
- Showcase the artwork done in school for friends and family
- Purchase truly unique canvas prints created from a child's artistic vision
- Join a global community of parents and teachers who believe in the importance of art

As a parent/guardian, you are also encouraged to sign up for an account on ARTB412. Go to www.ARTB412.com or download our mobile app for iOS and Android and showcase and share the art your child creates at home.

In order for your child to participate, your child's teacher needs your permission. By signing this form, you allow your child's teacher to upload any art created by your child in class to ARTB412.

ARTB412 is an exclusive community. No third-party vendors will contact you and your child's privacy will be protected while his/her artwork is in the community.
